

WELCOME TO ATK!

There is a lot of information in this Welcome Folder for you to review at your leisure. Following is a list of the contents and a brief explanation of each. If you have any questions, please don't hesitate to email us at info@allthingskabuki.org. PDF's of these documents can also be downloaded via our website.

Folder Contents: Left

Fun Kabuki Facts flyer

Kabuki Syndrome Registry flyer

Kabuki Syndrome Clinical flyer

Now available for parents to distribute to their child's medical team, ATK's clinical flyer can also be downloaded via our website.

Research Opportunity flyers

Participation in research is vital to the success in finding a treatment or cure for Kabuki syndrome.

Collaboration Posters

Roya Kabuki Program/BCH and ATK Academic and community collaboration poster presented at the 2020 and 2022 National Organization for Rare Disorders (NORD) Summits.
